

# 2020 The 3rd International Conference on E-business and Business Engineering (ICEBB 2020)

<http://www.icebb.org/>

2020 The 3rd International Conference on E-business and Business Engineering (ICEBB 2020) will be held in Singapore during October 9-11, 2020. ICEBB 2020 aims to bring researchers, scientists, engineers, and scholar students together to exchange and share their experiences, new ideas, and research results about all aspects of Advances in E-business and Business Engineering, and discuss the practical challenges encountered and the solutions adopted.

Innovative Business Models  
Enterprise application integration  
Business process re-engineering  
Agent-based artificial markets  
Knowledge management and e-learning  
Big data and super computing  
Applications of super computing  
IoS (Internet of Services) plus IoT

Service process modeling  
Service quality assurance  
Online credit and reputation evaluation  
Electronic contract  
Electronic invoice  
Application as a Service  
Design methods, tools and science for e-business
